In order to save $55 per sled registration, you will need to join a snowmobile club. When you become a member of a club you will receive a voucher. This voucher proves your club standing. Submit the voucher with your sled registration to the DMV and you'll receive the reduced rate. Upon becoming a member of a snowmobile club your information is entered in to a database that NYSSA sponsors. This database also proves your club standing. This database is **only** accessible to the snowmobile club you join, NYSSA and the DMV.

Individual memberships/vouchers are issued to single individuals. There is no cap on the amount of sleds one can register as long as each sled is registered to the same individual and address and the individual is a member of a club.

Family memberships/vouchers will be issued to families described as husband/wife and their children. Children must be 17 years of age or younger and must have the same address and have a snowmobile registered in their own name. There is no cap on the amount of sleds one can register per membership as long as each sled is registered to the same address. It also doesn't matter if sleds are registered in different names as long as each person and their registration share the same address and are shown as a member of a club.

Business memberships work the same way as family memberships. It is important to complete the membership form and list owners/officers of a business and **their family** accordingly. Business members receive advertising space on our map. Please submit a current business card and be sure to mail your information in by October 31, 2024. **DO NOT REGISTER ONLINE. IF DONE ONLINE, THERE IS NO BUSINESS CHARGE RATE THAT CAN BE APPLIED. PLEASE MAIL IN YOUR REGISTRATION INFORMATION AND CURRENT BUSINESS CARD.**
